

NATIONAL SNAPSHOT

FAMILIES SERVED

Nurse-Family Partnership® is an evidence-based, community health program that helps transform the lives of vulnerable mothers pregnant with their first child. Each mother served is partnered with a registered nurse early in her pregnancy and receives ongoing nurse home visits that continue through her child's second birthday. State and federal government cost savings average \$26,898 per family served or \$2.90 per dollar invested, and total benefits to society equal \$60,428 per family served, or \$6.40 per dollar invested in Nurse-Family Partnership¹.
